EXPERIENCE

AOW Investment Consulting Ltd. (Internship)

December 2017 - January 2018

June 2019 - August 2019

I interned at AOW in the design department, where I helped with designing logos and created festival posters which were put on the company website. I was able to communicate with fellow colleagues and take in advises from my lead to improve my design.

Student Animation Film (Collaboration)

October 2021 - December 2021

I participated in a student film and collaborated with students from different majors on a 2d animation short named Tsomgo. I painted background art, and took in feedbacks from the lead to make my art more visually appealing and better match the consistent art style.

Chinese Baptist Church of Savannah (Volunteer)

2017 - 2022

Throughout my years in college, I drew posters for the local Chinese church, mostly for traditional Chinese festivals such as Chinese New Year and Mid-Autumn Festival. These posters were posted to invite people to join the church gathering.

SCAD Film Festival (Volunteer)

2017 & 2018

I volunteered for SCAD Film Festival. My jobs included concession, ticket taker, usher, and runner. I cooperated with fellow teammates and communicated with customers. Answered questions that the guests may have, served snacks and drinks, and strived to make the film fest a better experience for the visitors.
